Re: Armstrong et al. v. Metropolitan Transportation Authority et al.  
Civil Action Number: 07 Civ 3561 (GEL)(HP)

Dear Magistrate Judge Pitman:

This firm, together with Norman Siegel, Esq., represents the Plaintiffs in this matter. Under our modified production schedule, Plaintiffs are required to submit an opposition to Defendants' application to withhold the personnel files of supervisors by August 12, 2008. Plaintiffs respectfully request, with the consent of the Defendants, a three-day extension so that they may submit their memorandum on August 15, 2008.

Thank you for your consideration.

Respectfully submitted,

*Rachel Nicotra*
